Consent Form for Photography and Images of Children

Dear Parent/Carer/Guardian,

During your child's time at Dronfield Rugby Union Football Club (DRUFC) we may wish to take photographs or film activities involving your child. These photographs/videos may be used by DRUFC, the RFU or appear in the local press for publicity purposes, promotional displays and for use on the Club/RFU website.

Photography or filming will only take place under strict supervision, following discussion with and permission being granted by your child's coach. When filming or photography is carried out by the news media, children will only be named if there is a particular reason to do so (e.g. they have won a prize or stood out as a specific player), home addresses will never be given out. Images that might cause embarrassment or distress will not be used nor will any images be associated with issues that are of a sensitive nature.

Before taking any photographs of your child, we need your permission. Please answer the questions below, sign and date the form then return it to your child's coach at DRUFC. You can ask at any time to see the images of your child held by the Club, you may also withdraw your consent at any time by contacting the Club Safeguarding Officer in writing.

There may be other occasions, falling outside the normal day to day activities of the club, in which pictures of your child are required. We recognise that in these circumstances specific consent from the parent/guardian of the child will be required.

If you attend games/functions at the Club and take photographs of your child and other people's children please take only appropriate images, be sensitive to other people's needs and try not to cause any disruption to games and events.

Please return the completed form to your child's coach at DRUFC.
